

FERVOGEAR
GEARED TO PROTECT

Catalogue
2025

At Fervogear, we understand that your passion for racing comes with risks. That's why we're here – to make sure you feel protected every time you hit the track. With over 45 years of combined team experience, we're not just making custom racing suits; we're helping save lives, lap after lap.

But we are not done yet. We continue to innovate, always focusing on making racing safer for motorsport enthusiasts.

Our motto, "Your Safety, Our Priority," motivates us to craft the best racing suits using fire-retardant Nomex® Meta-Aramid, meeting SFI 3.2A/1 & 3.2A/5 standards certification standards for the highest safety and performance.

FervoGear suits are built for ultimate safety and a perfect fit:

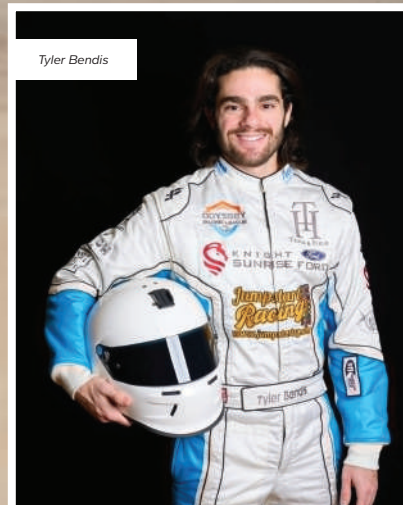

- Our graphic team offers fully customizable suits with unlimited options for logos, colours, and graphics, so your suit reflects your unique racing style.
- Achieve the perfect fit with features like crotch and lower back stretch panels for superior mobility.
- Each suit is handcrafted.

SFI Certifications

FervoGear offers SFI 1 and SFI 5 certified driver suits. Each suit meets rigorous safety standards set by the SFI Foundation, ensuring top-level protection for drivers.

All FervoGear suits undergo intensive fire resistance testing, including evaluations of thermal Protective Performance (TPP) and after flame time.

CUSTOM RACE SUIT

At FervoGear, we offer custom race suits made with high-quality Nomex® material. Our suits meet SFI 3.2A/1 & SFI 3.2A/5 standards for fire retardant, ensuring safety and comfort for every driver.

Designed with input from racers, these suits are lightweight and breathable. You can personalize your suit with different colors, logos, and embroidery to make it your own. Built to fit your needs, our suits provide flexibility and protection on the track.

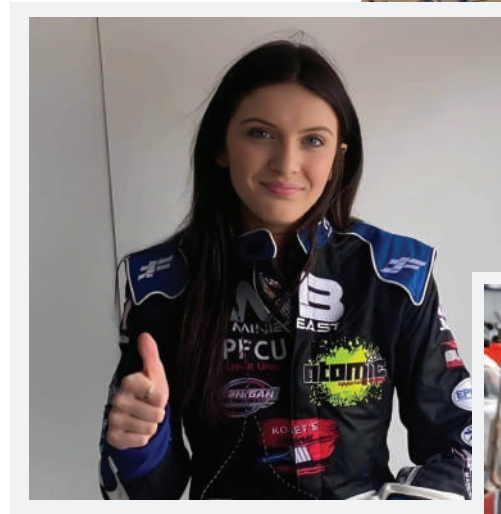

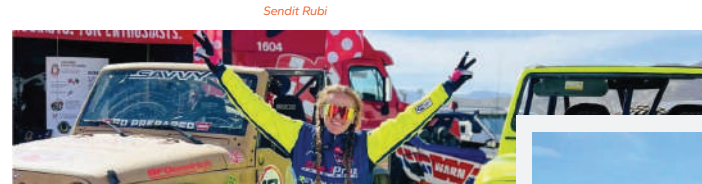

FervoGear LLC racing suits cater not just to professional drivers but also to anyone involved in racing activities. Whether you're participating in Formula 1, karting, drag racing, or NASCAR, prioritizing safety is essential.

Our suits, certified by SFI, provide robust protection against flames and heat, potentially saving lives during an incident. They are designed to offer a more personalized and comfortable fit compared to conventional suits.

Important Features:

- 360 Arm and Back Gussets
- Knee and Inner Thigh Stretch Panels
- Embroidery Trim and Logo
- Lower Back Stress Relief Panel
- Upper Back Ventilation
- No-Bulk Weight Saving Patch Pockets
- Unlimited Logos and Embroidery Options

MEASUREMENT FORM

Accurate measurements are crucial for a perfect fit. Please follow these guidelines to ensure your custom racing suit fits comfortably:

- Have someone take your measurements for accuracy.
- Use tight-fitting attire, such as undergarments.
- Ensure the tape is snug against your skin.
- Do not add extra inches; submit your precise measurements.
- Reach out if you have any questions or need assistance.

Name: _____

Email: _____

Phone: _____

Height: _____ Ft _____ in Weight: _____ lbs

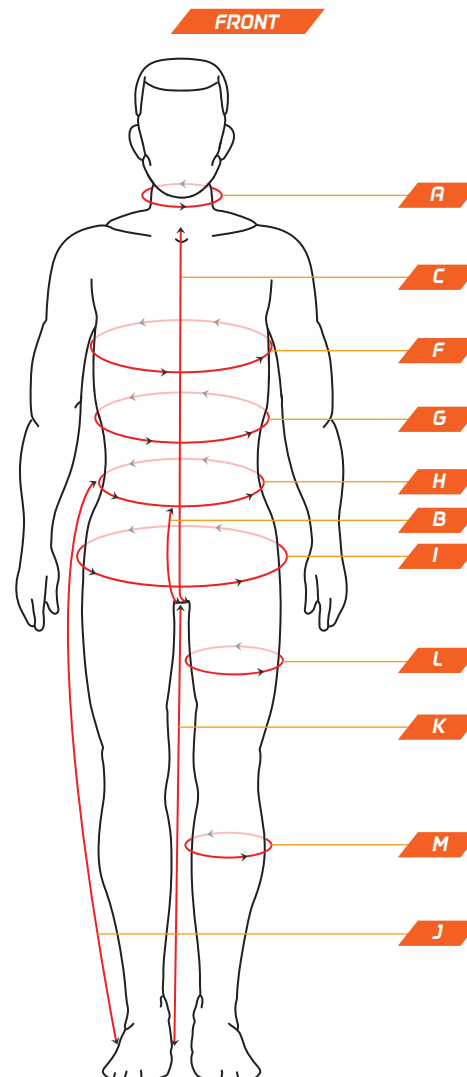

Shipping Address: _____

- » Please do not self-measure. Have a tailor measure you for the best fit
- » Wear tight fitting comfortable clothes such as underwear.
- » Use a cloth measuring tape and keep it tight to the skin.
- » Take exact measurements and do not add anything to them.

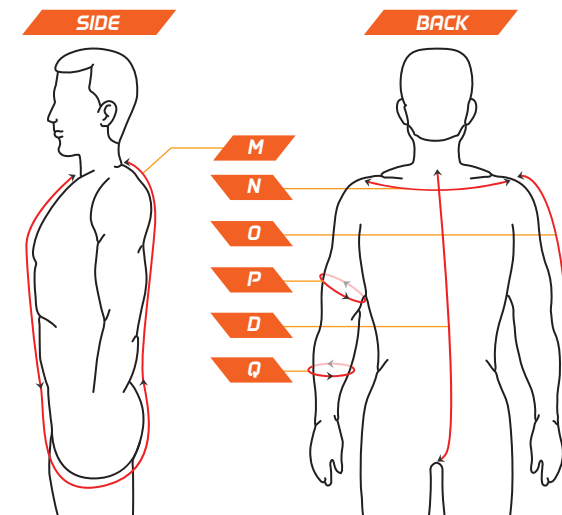

If you have questions, please give us a call. We will make the suit to these dimensions and will not be responsible for the measurement errors.

Fervogear shall not be held accountable for any inaccuracies in measurements. The suit will be tailored according to the dimensions supplied.

"Inches are preferred for accurate measurements"

- A** _____ Neck Circumference - Measure around base of neck
- B** _____ Front Rise - Crotch seam to waist line
